USE NOTES

This sample special verdict form is an example of a form that could be used in cases involving a wrongful death claim and a loss of consortium claim. The sample special verdict form also could be used in cases involving non-deadly injuries by incorporating the following suggested modifications: (1) replacing the word “death” with “injury” in questions 2, 4, 5, and 7; and (2) altering question 3 to remove references to an estate and to remove any forms of damages which do not apply in that case (e.g., funeral expenses).

[Adopted by Supreme Court Order No. 19-8300-014, effective for all cases pending or filed on or after December 31, 2019.]
